

Recycling Program Announcement

Beginning July 1, 2016 the City of Scottville will start replacing the 18-gal bin recycle totes with a new 96-gal recycle cart service.

In order to receive a 96-gal recycle cart you must complete the registration form below and return in to city hall in person or by mail.

The collection of the 96-gal carts will be on an every other week schedule from the curb in front of your home, see the backside of this document for a collection calendar.

The new carts are equal to five(5) of the old bins and allow you to place large cardboard broken-down or flattened along side the cart. The "all-in-one" recycling carts allows you place your different type of recyclables in one container without sorting and is designed to help you recycle more conveniently.

This is not a trash container, only place recycling in the container.

Please see the reverse side of this sheet for more instructions.

Terms & Conditions, the resident accepts responsibility for the cart and if resident moves from address will request removal of cart prior to move out. The replacement cost of cart will be invoiced to the resident if the cart is damaged beyond repair or is not surrendered once resident moves away from address.

Register for your New Recycle Cart by completing the form below and returning to City Hall

Or mailing to City of Scottville - Recycling, 105 North Main, State St, Scottville, MI 49454
