

### Refuse Totes

The City of Scottville will be offering an option for residents to dispose of their refuse. Instead of buying City of Scottville refuse bags (blue or green) a resident can sign up for a refuse tote. **The totes will cost \$17.00 per month and will be included on the resident's water bill as a line item.** Household refuse will need to be put in store bought bags to reduce blowing debris. Pizza boxes and odd shaped items that do not normally fit into a bag can be placed in the tote.

Residents who have a water bill in their name and would like to take advantage of this new program must sign and date the following application. Residents who have their water bill in their landlord's name, must have the landlord also sign the application.

Any questions can be directed to City Hall at 757-4729.
